About Overscoop

Save

Overscoop is a dessert cafe specialising in waffles, croffles, and gelato. The concept for their store took inspiration from the previous Covid-19 measures when customers were no longer allowed to sample the different flavours. So now, customers get an 'Overscoop', a mini scoop of ice cream to sample over their regular scoop to try out new flavours.

Aiming to bring in a specially curated range of flavours on rotation, you can find a variety of different ice creams — from creamy gelato to refreshing sorbets. Their signature flavour, Mou Tai Liquor, is a distinctive take on Chinese white liquor.
